

WINEMAKERS CLUB X FORTIFY

We know everyone's missing their usual watering holes so FORTIFY Wine & Spirits Co. is hosting a virtual wine tasting to showcase some favourites from The Winemakers Club on Thursday 7th March at 7pm.

For £50pp you will be sent 100ml of 5 different wines and some nibbles to indulge in during this guided tasting. Ali Finch will be on hand to answer any questions and generally keep things running smoothly. This is the perfect opportunity to catch up on lost time with the wines that make you happy and will have you chomping at the bit to return to the bars when lockdown is over!

To organise your samples and video link please get in touch via www.fortifyws.com

Cheers!!
